The city is quite popular for international tourism because London is home to one of the oldest-standing monarchies in the western hemisphere. Rita and Joanne recently traveled to London. They were very excited for their trip because this was their first journey overseas from the United States. Among the popular sights that Rita and Joanne visited are Big Ben, Buckingham Palace, and the London Eye. Big Ben is one of London's most famous monuments. It is a large clock tower located at the northern end of Westminster Palace. The clock tower is 96 meters tall. Unfortunately, Rita and Joanne were only able to view the tower from the outside. The women learned that the tower's interior is undergoing renovations until 2021.
